Support until D-Day

Our event manager will be at your disposal from the beginning to the end of your project in order to support you throughout the preparation and on D-Day.

Cocktail

One of our houses has a beautiful 1000m2 park under century-old plane trees that will be decorated and illuminated for the occasion. For your reception, outdoors, you can enjoy glasses of wine and appetizers facing our vines and lavender.

Seated dinner and unforgettable evening

Following the cocktail, you can welcome your guests under a tent for dinner. We have selected trusted caterers that we believe are the best in their specialties. They will adapt to the venues as well as your requirements.

The evening can be dancing and festive.

250 m2 oval marquee tent

Currently under construction, a magnificent bamboo tent will allow you to accommodate up to 200 guests facing the vines in a wooded area.

Unpredictable weather

Our tent can be closed and thus allow the festivities to continue despite windy or rainy weather.

Brunch and other activities

The second garden area of over 1000m2 with its swimming pool will allow you to extend your reception around a brunch in the sun.

You can then enjoy a signposted walk in our property and a tasting of our wines at the shop during its opening hours.

Also, enjoy a game of pétanque in a real living space that is our organic vegetable garden.

The bridal room

In one of the three beautiful houses in the hamlet reserved for the family, the bride and groom have a 20m2 master suite.

Sleeping capacity of 40 people included

You can accommodate family and friends in our different accommodations. Distribution of the different beds:
